Letter from the President

Dear Advocates Society Members,

Thank you for the opportunity to serve as your President this past year. I am flattered by the support shown by the Board of Governors, the General Membership and the Chicago legal community, and am in awe of the dedication of this organization's Past Presidents. The accomplishments of this year would not have been possible without the commitment of everyone. One of the accomplishments I am most proud of is the increase in new members and the increase in attendance at the General Membership meetings. This is a direct reflection of the quality of our current membership. Thank you to each of you for being an ambassador for the organization. Thank you also to the Board of Governors, including the current Executive Officers, the Past Presidents and the Committee Chairs. Without hesitation, you have spent many hours making sure that meetings and events occur and run smoothly, that the community is aware of our existence and takes our organization seriously and that the deep traditions and purpose of our organization are fulfilled. To date, my proudest professional accomplishment is having served as President of the Advocates Society. Thank you for this experience.

With warmest regards,
Megan Kaszubinski Ferraro

P.S. For all those interested in joining the leadership of our organization, the below picture shows one of the amazing opportunities I had this past year as President.
